COMPANY: ICR Water Users Association

AGENDA ITEM NO. U-9

DOCKET NO. W-02824A-07-0388

OPEN MEETING DATE: April 28-29, 2009

Page 32, line 15, DELETE:

“As a reminder, we will order ICR to ensure that it charges only those rates and charges specifically authorized in its Commission-approved tariffs.”

AND INSERT:

“We are concerned with ICR’s past actions with respect to the well transfer issues and institution of a hydrant charge without approval from this Commission. Such activities flout the rules and authority of this Commission and demonstrate either a troubling lack of knowledge of our process, or worse, contempt for our process. While ICR has taken steps to address the well transfer and hydrant issues, we remain concerned about this Company’s commitment to following the Commission’s Orders and rules. Accordingly, ICR should be on notice that subsequent violations of Commission Orders and rules may lead to further steps, which could include the filing of an Order to Show Cause or other adverse actions.”

Make all conforming changes as necessary.
